## Exhibition of Contemporary Canadian-Hungarian Artists

Canadian Hungarian Artists Collective (CHAC) presents an exhibition series showcasing the works of over 40 artists of Hungarian descent from across Canada. This unprecedented and multifaceted project will tour Hungarian museums and galleries in 2009, before returning to Canada in 2010.

It includes a kaleidoscope of work from all disciplines, mediums and styles, as well as an exciting selection of avant-garde and commercially successful films and videos. Participants include internationally recognized artists and distinguished award winning creators who actively shape the Canadian multicultural tapestry.
